Re: Stations WMNY(AM)
and WORG(FM)
Elloree, S.C.

AM BRANCH

APR 29 1994

Request for Authority
To Remain Silent

RECEIVED

Dear Mr. Caton:

Pursuant to Section 73.1740(a)(4) of the FCC's Rules and Regulations, request is hereby made, on behalf of Clarence E. Jones, licensee of Stations WMNY(AM) and WORG(FM) for authority for those Stations to remain silent for an additional 90 day period.

Stations WMNY(AM) and WORG(FM) discontinued operations, on a temporary basis, on April 1, 1994.

For many months, prior thereto, licensee operated the Stations at a loss and during this period licensee actively pursued the sale of the Stations. Several proposed purchasers expressed an interest but to date no formal sales agreement has been reached. The point was reached when licensee could no longer finance the operation of the Stations; however, licensee continues to seek a purchaser for the Stations and anticipates that he will be able to reach a formal sales agreement and file, with the FCC, the appropriate assignment application, within the next 90 days.

Attached hereto is licensee's Anti-Drug Abuse Act Certification.

Should any questions arise respecting this request please communicate directly with the undersigned counsel for licensee.

Very truly yours,

Leonard S. Joyce

Dear Sir/Madame:

This is a request for extension of Special Temporary Authorization filed for Clarence E. Jones (Jones) licensee of WMNY AM, Elloree, SC. Accompanying this letter is the requisite \$100.00 filing fee as well as the Commissions fee processing form and Anti-Drug Abuse Act Certification form.

WMNY AM has been operating with parameters at variance pursuant to Commission authorization, dated Oct 7 1993, which was an extension with the directive to continue to submit status reports.

As indicated previously a complaint has been filed against Star Redi-mix and South Carolina Electric and Gas Company. This case is now in discovery and depositions are being taken. There have been two settlement conferences, to no avail. The case is expected to go to court.

In the light of the foregoing it is respectfully requested that the Commission authorize an additional four months for WMNY AM operating with parameters at variance while maintaining monitoring points within authorized limits. See Sec. 73.1635(a)(4) of rules.

Please send notification concerning action on this request to: Clarence E. Joens, Rt 1, Box 189, Santee, SC 29142-9718.

Very truly yours,

Clarence E. Jones

In re: WMNY - Elloree, SC
Petition to Migrate to the
Expanded Band

Dear Mr. Joyce:

We have received your petition to migrate to the expanded band for Station WMNY and we thank you for your interest. The Commission has calculated WMNY's interference improvement factor to be zero (0.0). In footnote 50 of Report and Order, MM Docket No. 87-267, Review of the Technical Assignment Criteria for the AM Broadcast Service, 6 FCC Rcd 6273 (1991), ("R&O"), the Commission concluded that daytime-only stations that have improvement factors equal to zero will not be eligible to migrate to the expanded band. Therefore, we will not include station WMNY in the allotment process.

Sincerely,

Signed James R. Burtle

Dear Sir/Madame:

This is a request for extension of Special Temporary Authorization, filed for Clarence E. Jones ("Jones"), licensee of Station WMNY-AM, Elloree, SC. Accompanying this letter is the requisite \$100.00 filing fee, fee processing form, and anti-drug abuse act certification.

WMNY-AM has been operating with parameters at variance pursuant to Commission authorization dated July 27 1991 (8910-MB), the authorization had been extended with the directive to continue to submit status reports.

As indicated previously a complaint filed against Star REdi-Mix Cement Company was removed to the court of common pleas in Orangeburg County SC. A check with our attorneys Chellis, Mortimer & Frampton, Summerville, SC, advises that the case still has not been docketed for trial.

In light of the foregoing it is respectfully requested that the Commission authorize an additional four months for WMNY-AM operating with parameters at variance while maintaining monitoring points within authorized limits. See Sec. 73.1635(a)(4) of Rules,

Sincerely,

Clarence E. Jones

\$ 100.00

FOR FCC USE ONLY

100.00

ANTI-DRUG ABUSE ACT CERTIFICATION

The applicant certifies that, in the case of an individual applicant, he or she is not subject to a denial of federal benefits pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C. § 853a, or, in the case of a non-individual applicant (e.g. corporation, partnership or other unincorporated association), no party to the application is subject to a denial of federal benefits pursuant to that section. For the definition of a "party" for these purposes, see 47 C.F.R. § 1.2002(b).

Dear Sir/Madame:

This is a request for extension of Special Temporary Authorization, filed for Clarence E. Jones (Jones), licensee of Station WMNY-AM, Elloree, S.C. Accompanying this letter is the requisite \$100.00 filing fee as well as the Commissions Fee processing form, and form for Anti-Drug Abuse Act Certification.

WMNY-AM has been operating with parameters at variance pursuant to Commission authorization, dated December 5th, 1991, the authorization had been extended with the directive to continue to submit status reports.

As indicated previously a complaint has been filed against Star Redi-Mix and SC Electric and Gas Company which was removed to the court of Common Pleas in Orangeburg County SC. I have checked with our attorneys Clellis, Mortimer, Frampton, who advises that the case still has not been called for trial and they expect several more months.

In the light of the foregoing it is respectfully requested that the Commission authorize an additional four months for WMNY-AM operating with parameters at variance while maintaining monitoring points within authorized limits. See Sec. 73.1635(a)(4) of Rules.

Please send notification concerning action on this request to: Clarence E. Jones, Rt 1, Box 189, Santee, SC, 29142-9718

Very truly yours,

Clarence E. Jones
